| athaniel | Seevers | 13130 | By changing a successful format from progressive talk radio to another, so called, "everybody" talk station, you prove that today's media is not based on free speech, expression, and information but rather on pleasing those in charge monetarily. We need nothing close to another Rush Limbaugh like talking head twisting the truth. The motto for America media is becoming increasingly clear that "when you own the information you can bend it all you want." Keep am1230 Progressive talk and let those of us in Columbus hear both sides of the issues. Allow us the right to educate ourselves. |
| isa | McClaskeu | 13081 | The fact that you have planned this move, in the face of your ratings being tripled, seems to point to another motive entirely. Columbus already has conservative talk on another station, including Rush, so why this? It is especially egregious that you plan to put Michael Savage, who is somewhere to the right of Hitler, a really vicious hate filled man, on the air. Please reconsider. |
| leather | Weimer | 13311 | Keep Progressive Radio!!! |
| rlene | Elder | 15219 | |
| Richard | Young | 15440 | There are MORE than enough conservative voices in radio. Every community needs progressive talk. We own the airwaves , and we are entitled to DIVERSITY of views. |
| ynn | Fleak | 13224 | Free speech? Free market economy? The right wing enjoys using these phrases, but as we're seeing here, and in other radio markets, they only use them as excuses. Their interests lie in promoting what is increasingly clear as a white supremacist hate mongering stance. |
| loris | Jackson | 13205 | This is just another political tactic that everyone with any sense can see through. I believe that the Republicans have paid Clear Channel to shut up the voice of reason and truth. To take progressive talk out of Columbus is nothing more than the far right trying to continue misleading the people by silencing dissent. Please keep Progressive Radio on the air in Columbus. |
| ack | fry | 13213 | I'm very upset to hear that you plan to change the format for the columbus station . I listen to the station all the time. |
| Barbara | Patterson | 13081 | |
| ileen | Wells | 13221 | I listen to Al Franken and Stephanie Miller every weekday. Unlike conservative talk radio, they educate and inform their listeners. Al Franken's guests are always leaders in their fields who impart their knowledge with reason. The conservative talk radio I have heard is more emotional, inflammatory, intolerant and just plain hateful. Many people I know listen to WTPG , and I'm sure we will turn our radios off if the format changes as proposed . |
| Dave | Henderson | 15238 | We recently lost our progressive link here in Cincinnati and it is hell . I am still furious and wish that Clear Channel would go away. There is enough of the neo-con drivel out there that we need a balance, ie, the truth. |
| Raymond | Fusco | 13205 | Listen to your many listeners who appreciate and value a radio station which broadcasts from a progressive viewpoint. Please continue to fill this progressive niche. There is no shortage of conservative talk radio in central Ohio. Promote democracy through exposure to alternative viewpoints. Thank you . |
| Michele | Stenger | 13110 | Please keep Clear Channel 1230 AM in Columbus, Ohio PROGRESSIVE! |
| Jerry | Thomas | 13026 | |
| *rumber | Walters | 13031 | Please save this station |
| Mayda | Sanchez | 13211 | I am a moderate. I feel it's important to have balancing views expressed in the media. This is why media ownership consolidation is wrong. We need to keep progressive radio on the air in Ohio. |
| ail | Messmer | 13065 | We need a balance that will only be available if progressive talk is on the air. I will refuse to listen to any Clear Channel station that presents the same old conservative talk available elsewhere. |

| zack | clayton | 43229 | There is already too much extreemist hatemongering from the politico/religious conservatives. We do need the liberal wackos to balance them out. I don't listen to this station much as I just found out about it recently, advertising might have helped. But, I will listen to the new format not at all. Those views are already present on most of the airwaves. I hope the new format goes bankrupt for the cretins at ClearChannel . |
| Julie | Jarvis | 43220 | |
| Vicki | Andronis | 43201 | |
| Brian | Erickson | 43202 | I will really miss WTPG. Clear Channel will not have me as a listener when they convert the channel over. |
| Sharon | Streeter | 97206 | I'm a fan of KPOJ in Portland, Oregon. We the People own the airwaves, which our elected leaders seem to forget. Companies like Clear Channel need to hear from progressives that we want our side heard, too. In spite of the myth of liberal media, radio airwaves are dominated by right-wing idealogues. Progressive radio is a vital tool for the education of all Americans. |
| Christine | Cloud | 43221 | I was extremely upset to hear about the format change. I have been a loyal listener to the Ed Schulz show and the Stephanie Miller show. I know that they are popular and highly rated shows, thus I don't understand why they are being pulled . |
| Stephen | Woosley | 43204 | Well, all their other formats have worked <i>so</i> great. Why not go back to the same old crap ? I won't be going anywhere near 1230 when they change. |
| Jennifer | Feather | 43206 | I think this type of radio programming is important not just o Ohio, but the whole contry . We need to have a choice. By and large, the only sort of radi talk shows are conservative at best, and screamingly right-wing at worst. I listen to progressive radio, most all of my friends and family listen to progressive radio, and we would continue listening if it stays on the air. |
| Tim | Deal | 143026 | |
| Karen | Koehler | 43146 | I am extremely disappointed that Clear Channel replacing these highly rated shows with more right wing talk. 1230 Progressive is my favorite cha I of The citiz structured, we often do not hear the liberal viewpoint. 1230 Progressive talk gives us that oppportunity. Please reconsider this decision. |
| Timothy | Fox | 43015 | Face it folks. Clear Channel is the Wal-mart of the radio. I guess I'll have to get XM or Sirius to get the radio I want to hear. I may listen occasionally just to find out who the new addvertisers are and make certain I don't give them any of my money. |
| Cindy | Bryan | 45157 | As radical as this sounds, we still live in a free country. No one individual or corporation has the right to limit or control the content of information made available. Progressive radio is vitally important. It's the other side. It's the other voice. Supporting and protecting progressive radio supports and protects the democratic process and celebrates freedom of choice. |
| rennie | beetham | 43017 | having a variety of opinions voiced and available is a good idea; and after the last election, there seems to be a fair number of moderate to left-leaning people in this area. keep the progressive format. |

| Mary Ellen | Tomazic | 4111 | I listen to Radio Free Ohio, WARF 1350am out of Akron, and I am very glad to have an Air America station to listen to nearby. I also have Sliius satellit radio but I enjoy the Air America programming on WARF. My sister lives in Columbus and was very upset to hear that her Air America station there was changing formats. She loves the programming too, especially Stephanie Miller. |
| Nancy | Brumback | 97267 | Dear Friends, I am very disappointed to learn that you are about to lose progressive radio broadcasting in Columbus. And to have it replaced by the likes of Rush Limbaugh and Sean Hannity only adds insult to injury. Unless one is a computer user, which many older people and sight-disabled people are not, progressive radio, especially Schultz, Rhodes, and Franken, is often the only media where one can learn the truth about what is going on in American politics, because the cable and broadcast tv channels stick mostly to the mainstream message of the holders of the status quo. Even if only as a service to the community, the station should keep its present programming. To the audience: don't let this happen! picket the radio station with signs to keep air America! And encourage everyone to patronize the advertisers, especially the local advertisers! It's worked before: it can work again. Good Luck! |
| Brooks | Friley | 43220 | I listen to 1230 every day... if you change the format I will take it off my radio setting (just one more potential lost listener). |
| Tim | Biondo | 43228 | From a business standpoint, this decision makes no sense. As this petition shows, the progressive radio audience is large, loyal and has the means to support advertisers. WTPG has this local market all to itself. If you can't make a decent profit under these circumstances, you're not really trying! |
| Jordan | Youker | 43201 | Please keep Progressive Radio on the air |
| Nick | Damato | 43224 | We want to hear Ed Schultz in Columbus, Ohio. |
| Andrew | DiLiddo | 44124 | Ohioans deserve the viewpoint represented by Progressive Radio whether or not they agree with it or not. Americans must have access to a diversity of viewpoints and be allowed to make up their own minds. |
| Jim | Shaffer | 43081 | We listen to 1230 every day! That will be be a big void to fill, but one thing is certain; if there's no prgressive in Columbus, we'll listen elsewhere. Maybe it's time to go with satellite radio. Why would Clear Channel, apparently a for-profit company, decide to throw out an existing audience base and compete with all of the other fake-Christian, right-winged, and morally challenged talkers out there. Aren't there already enough combative, drug addicted, phone sex guys on the radio. |

| Heather | Siladi | 4 1203 | I have been arguing for years that media consolidation will eventually threaten free speech and freedom of the press. Frankly, I hope Clear Channel does try to eliminate progressive radio in Ohio. Then maybe people will be motivated to stop the consolidation of America's media outlets into the hands of a few corporate conglomerates. |

| aul | rockman Jr | 3214 | |
| aren | roctor | 3214 | Ohio deserves more than one viewpoint to politics. We proved that in the recent election when we sent Democrats to Washington and to the state Legislature. We need to restore the fair practices doctrine which would force channels like Clear Channel to offer both perspectives. Everyone should write you political leaders and tell them to reinstate this doctrine. |
| aniel | umond | 3085 | Columbus and the rest of central ohio desperately need a liberal voice on the radio. There is no reason we should be subject to an endless stream of the vitriolic spew that comes form the popular right wing talk show hosts. I listen to 1230 everyday on my drive to work, while at work, and while on the way home. Hearing Stephanie Miller, Rachel Maddow, and other progressivevoices talk about news and politics form my viewpoint has been a beautiful breath of fresh air. Clear Channel's right wing BS needs to stop. I'm tired of Hyman's editorials on channel six, and I'm tired of hearing nothing but right wing blow holes on radio. I'm honestly considering a satellite radio subscription service because of this. SAVE PROGRESSIVE |

| lexander | isher | 3119 | Back in 1978 (?), Great Trails Broadcasting changed the number 1 station in Columbus (WCOL-FM)from hard rock to pop, because they thought the old format was too scandalous. I guess they thought my money was not green enough. The station never reached above eighth after that. (Number 1 to Number 8, that's progress?) Almost twenty years later, Clear Channel flipped the old WCOL-AM to progressive talk because the format (I believe it was right wing talk) was bombing. Now they mysteriously want to change it back to right wing talk just after an election that showed them that people were listening to progressive talk. Conspiracy, you betcha! It ain't about liberal views as much as it is about protecting the FCC from being run by people with the public's best interest in mind. I guess my money is still not green enough for WCOL (WTPG). |

| on | ilippelli | 3202 | In Philosophy, the march of reason through time has always been described as a progressive phenomenon. | teven | LeMoine | 98045 | If you are having trouble selling advertizing for a highly rated format on your radio station, the problem is with the management of the advertizing department and NOT with the format. If you want to sell your product, you must employ people who believe in it and are passionate about what they are selling. You wouldn't hire someone to sell Ford cars who has always driven Chevy's would you? Well, if you're a good manager you wouldn't. |

| ammy | Smith | 80228 | Progressive talk radio is important everywhere, Ohio is no exception. With the great importance of Ohio in all recent elections, I feel that progressive talk is needed now more than ever in that arena. |
| lizabeth | Wicks | 43081 | If I could reach other progressive Ohio stations from Columbus, I would and the hell with 1230. We need a new station. Does Clear Channel own everything? I thought we just won the elections in Ohio. It seems we can't win. |

| ulie | Houston | 43015 | We deserve to have progressive talk in Columbus, OH. The number of callers from this area that you hear when you listen to Ed Schultz is proof that people listen. I miss Al Franken and Ed Schultz every day. My life really isn't as happy without them to listen to. I've been to events with Ed Schultz present and my boyfriend went to see Stephanie Miller and Al Franken. Local listeners want them. The results of the 2006 election show that there are a lot of people out here who are progressives. By adding the left side of the discussion you give people more things to think about. If the topics are controlled too much by the righties people get more frustrated and bored with the radio. Having more sides to an argument is healthy and makes for more interesting conversation. I don't think people will listen to 1230 unless it sticks with the progressive talk. I never did before and I won't in the future without my favorite shows. You are forcing the marketplace to go to satellite radio to get variety. That can't be good for Clear Channel's sales. Please give people something to talk about. We want Progressive |
| esse | Lewis | 9801 | |
| iloria | Porfilio | 4405 | Progressive radio keeps us abreast with what is going on in the country and especially congress. You are failing the American people if you change this format. I also subscribe to satellite radio and thoroughly enjoy the many channels and freedom of expression that it allows. My radios are side by side, but now I'll have to turn one off and put it away. Columbus needs and deserves the progressive format! We DO NOT all think alike!! |
| Kathleen | Fowler | 43230 | Please keep 1230AM progressive. We need a VARIETY of opinions from which to choose. The other opinion is already >WELL< covered in central Ohio. |
| Amanda | Bauer | 43215 | I enjoy Air America; it's the only talk radio that I listen to. When the radio station changes formats, I will quit listening to 1230AM. |
| Rosemarie | Widmer | 43224 | Please keep 1230 on the air. We want progressive radio here in Columbus, OH. |
| Michelle | Batt | 43081 | Please keep this radio station the way it is. Why do we have to have all radio sound the same so the masses can be brainwashed with bad djs and crappy music. Keep educating with the station the way it is. |
| Todd | Kenzie | 43081 | I was happy to discover progressive 1230 AM only a few months ago and enjoyed listening to people like Stephanie Miller. I am disappointed by your decision to change the format into sports/right-wing radio, eliminating that viewpoint from the airwaves in Columbus listening to 1230 once that change occurs. |
| Amy | Hamilton | 43026 | I am very disapointed to hear that you feel the need to take away progressive radio!! Did the Novemeber election not show you that the people are tired of this republican NONSENSE!!! |
| Michael | Dalton | 45218 | No more progressive radio means NO MORE CLEAR CHANNEL for me and my family ! Plan to avoid the advertisers as well. |
| Robert | Hamilton | 43078 | Progressive radio should not be removed from the airways in Columbus. My wife listens to Stephanie Miller everyday. |
| Jimmy | Whittenburg | 97212 | I can't get the full news and opinion from the conservative stations such as KXL here in Portland. They taint everything in hate and anger towards anyone they disagree with. I am embarrassed to listen to these hate tilled |

| Jeff | Winbush | 43205 | Columbus does not need any more right-wing radio polluting the airwaves. At the very least Stephanie Miller and Ed Schultz deserve to keep their shows as they are funny, interesting and thought-provoking. Bruce Collins has to know that the supporters of progressive talk radio will not listen to more far-right radio nor patronize the advertisers. Last year progressives and liberals sent a undeniable message to the nation that our viewpoints ARE the popular and prevailing sentiment. Don't let Clear Channel take away our voices without a fight! |
| John | Arthos | 43203 | Air America at 1230 am in Columbus means everything to me. I listen five hours a day, & I can't imagine what I'll do when it goes off. |

| Kim | Everhart | 43147 | |
| Doug | Vee | 53154 | There are enough right-wing loonie conservanazi repulikans on AM-hate radio. There is nothing that they don't whine about. Stephanie Miller, Ed Schultz, Norman Goldman. Good progressive programs. At least they bring humor and thought provoking programs to AM airwaves. Enough already with the conservanazi republikan propaganda babble crap by Druggie limblough and Bill O'Liely. Buck Fush!!! |
| Brent | Corwin | 43040 | I listen to 1230 am everyday while at work. The Stephanie Miller Show is the most entertaining radio program that I've ever heard. I don't know how I'll make it thru my work day without her, Jim and Chris. If she's on satellite radio, I guess I'll take a satellite radio boombox to work with me to listen to. What a pain in the ass! Thanks alot Clear Channel. Consider yourself offically boycotted. |
| William | Kaiser | 43130 | I am a regestered republican who is active in local politics, my community and my church. That said I also enjoy listening to wtpg for the simple reason that it presents a different perspective from 700, 610, and npr. I question the need for another conservative talk station, especially one featuring somone as truly vile as Michael Savage. When the format changes next week I will erase 1230 from my pre-sets. | Joseph | Decker | 43204 | I fail to see what rational you have for removing Stephanie Miller, one of the top shows in the Columbus market. As a regular listener, I have also patronized advertisers from Rosatti Windows to Benevolence Cafe and thanked them. Your format switch will lead to a pale imitation of 610, while ignoring many listeners (and their wallets) in Franklin County. |
| Debra | Conkel | 43065 | I have contacted 1230 several times, emailed letters to the editor...is there anything more we can do to save Air America/Progressive Talk on 1230 AM??? Please let me know!!! |

Actually, I have other options and will continue listening to Stephanie, Al, Randi, et al, via my XM radio or online via iTunes. If the majority continues to be short-shrifted on the public airwaves and only gets HATE talk: BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT....BOYCOTT of Clear Channel advertisers. Talk radio should reflect the community at large. We are tired of topics that just divide ordinary people. A resounding no to topics that serve the billionaires. Keep 1230 Progressive Talk or once again experience a big, fat organized BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT, BOYCOTT. The right wing-nuts use BOYCOTTS all the time. In honor of Stephanie Miller and Twisted Sister. "We're not gonna take it anymore." |
| Christopher | Baughman | 78244 | Although I no longer listen to AA because of "technical difficulties" they had here in San Antonio I must say that it is great for those who don't have time to surf the web for a few hours every week. Myself I use many webpages to insure that they validate each other and verify the story is true however AA insures those who be they at work, home, or in their very car have the ability to know what is going on and what fellow likeminded people are doing about it. Without AA or a similar radio program like Democracy Now to cover such issues I fear most if not a good majority of the people throughout the country will fall into a pit of ignorance only to despair from feeling that they are alone against the Hydra. |

| Nancy | Cloyd | 23921 | Progressive Radio is necessary to assure freedom of speech. We require the air waves to keep open this format to protect and preserve a true democracy. | donald | hnatowich | 2446 | Since Air America left the air, I have been searching the AM dial for an alternative and I am simply shocked at the right-wing trash that is on the air! I listened to the advertisers on Air America and tried to support them when I could (I bought an expensive vacuum cleaner from one of them) because they were supporting the station. I ask you to please reconsider your decision and bring us back our ASir America Thanks Don Hnatowich |

| Dave | Klibanow | 2 7705 | In a democratic society where open debate & discussion is vital & necessary, it is imperative to have a thoughtful alternative to the right wing pundits on the radio. Especially in Ohio which has been beset by numerous republican scandals from governor Taft & Bob Noe on down, you need to have critical thinkers who will question & challenge those who abuse their positions of power. |

| Phil | Eastep | 43105 | I'm dismayed by this change. I'll continue to download Ed Schultz and Steph Miller and will not be visiting 1230 any longer. The ratings have been on the rise and I've been a listener to 1230 since it's progressive move. |
| Tiffany | Goodchild | 43068 | Take back the Airwaves!! WE support progressive talk NOT ...ist. homophobic dribble from so-called "moral" Christians who do more harm than good. We supported the advertisers on this radio station. We WILL NOT support Clear Channel. You suck..... |
| Mark | Gibson | 43085 | There is no other progressive voice. I flip occasionally to 610 WTVN and inevitably hear either trivial blather or hate-inspired rantings. Hardly an inspiration for a better nation. I found an ally with 1230 and my dial rarely leaves the station. Although equipped with XM for an Air America alternative, Stephanie Miller is my favorite show by far and is not on XM. There is a deluge of sports, right-wing and all-you-can-hear music. It is imperative that we have a voice that speaks to the improvement of our nation and our people. The choices are so few for intelligent, thought-provoking radio versus propaganda feeds. I'm disappointed and surprised to hear this is not a winning proposition for Clear Channel, since we regularly talk about the 1230 topics and shows at work and the station |
| Markus | Dubrowski | 02131 | They just did this in my state... one of the Bluest States in the Country!!! And guess what? We ONLY have right wing GARBAGE. Gee.... how did that happen Clear Channel?????!!!!!! |

| B.A. | LeRoy | 2628 | I listen to progressive radio via the Internet, and am saddened to think that those lucky folks in Ohio are losing their progressive station. I've read that Stephanie Miller beats the competition in many markets; why do you want to get rid of a format that is popular? |
| Sunny | Baker | 43119 | I had given up on listening to the radio until I found this station, this is the only station I have on in my car, at my desk and at home. I told my mother about it, my friends and my family. It has been a real "life line", please don't do away with it. Thank you. |

| elli | win | 3081 | A couple nights ago I was in my car and started scanning local radio stations. I came across 5 stations, at that time, that were broadcasting right-wing conservative talk shows...and, guess what? Only ONE progressive one. WTPG. I currently listen to WTPG all day at work and my car radio is tuned to it. If you change the format I will not listen to you again. We are currently inundated with conservative talk shows, most of which spew hatred towards many minority segments of our society, especially the gay community. One of the proposed hosts, in the new format, is Michael Savage who especially spews venomous rhetoric. Isn't he the one who, while hosting his short-lived MSNBC show, called a gay caller a "Faggot" and told him to "Get AIDS and die"? Remember, Central Ohio has a very large gay population who are very "active" consumers. I would think potential sponsors would think twice before endorsing this kind of programming, especially once they know of it's content. Do you REALLY |
| huck | uster | 3220 | Shameful, but I think this has been Clear Channel's intention all along--start progressive radio stations, then take them down as examples of the "failure" of the format, thereby promoting their real interests--conservative hate speech radio, their real bread and butter nationwide. I haven't even touched my radio dial since WTPG came up, but those days will end on January 9th. Sorry to see them go, and I hope others will step up to the plate to save the format in Columbus. |
| ara | orsey | 3068 | I found this Progressive Talk station just over 1 yr ago, and finally found talk shows that reflected views never heard on the radio but that I could strongly relate to. Since then my radio has been tuned in an average of 10 hours every single day. When I miss a day, I go This can not happen; the support that these hosts are given and give can not be ignored, and will not go down with out a fight from us loyal listeners. |
| inice | /eiss | 5215 | I can't think of any source more important that progressive radio for cutting through the spin that has led us into an unwinnable war and a deficit our children will never be able to dig themselves out of. If all that pollutes our airwaves are Limbaugh, Savage and Cunningham, Ohio is doomed to repeat the mistakes of its past-- afterall, we did elect Bush a second time based on the ignorance of our neighbors! I am an avid, avid listener to radio-- almost all day long --though now I'm at a loss, relying only on NPR for my news. When Air America operated, I went to Andy's Medettranean Grill only because Jerry Springer told me to. My friends and I would absolutely support any business that were to invest in this critical voice for the future. I believe that the Air America station in Cincinnati was never aggressively marketed to its full potential-- I can't ever remember representatvies coming to a Democratic meeting and urging people to listen, buy time, spread the word, and support the advertisers. Air America, and even Ed Schultz may not appeal to everyone, but it unquestionably serve a vital role in this city dominated by conservative media. . . in this region that is at least 50% democratic/independent (all angry and ready to vote with their dollars!). To ignore this demand, hiding behind low ratings due to your ineffective marketing, is just bad business. This is no hyperbole -- with the importance Ohio plays in national elections, we urge you to reconsider your decision for the sake of this nation and for all it stands |

| Jim | Hill | 3026 | Times are changing. People are tired of the same old BULL that the right wing has vomitted out of thier mouths for years! Keep progressive radio or people will find alternative ways to gather information and create opinions. As we see with the government, people are eager for a change. |

| Colette | Yates | 43054 | We have so many conservative talk stations out there; we do not need another one. If anything, we should be discussing the possibility of cancelling a conservative line-up to replace with a progressive one. Since when in this country did debate, freedom of speech, and diversity of ideas become so taboo? After all, it is this lack of criticism that has enabled the country to get in the widely recognized catastrophe we call Iraq. |
| Leah | Wong | 43202 | |
| Lynn | Daugherty | 43016 | We already have the likes of Rush "Oxycotin" Limbaugh represented on 610 AM. Why not offer a variety of viewpoints? Progressive talk radio will persist, and it would be better if Clearchannel was part of this than being seen as standing in it's way. Keep in mind, the airwaves belong to the people and are only licensed to companies for a fixed time. If the majority of the people want a variety of viewpoints, and the companies will not provide them, the people may decide another company would make better use of these airwaves. Once we get campaign financed fixed, your company will no longer be able to shop in Congress for legislation or reduction of regulations any longer. The world always tilts towards justice. Get on the correct side of discussion and provide the service for which you were |

| Maryann | Kafer | 43201 | This evening I will be sending messages to all the identified advertisers of the current format to thank them for their support and let them know I will not patronize advertisers if/when the format changes. |
| Linda | Hobson | 43202 | I listened to Progressive Talk on 1230 every day and I was very disappointed to hear the news...all my friends and family listened to progressive talk and it was the best radio station in Columbus. |
| karen | sullivan | 43212 | Advertisers of the proposed new 1230 AM beware: I will Boycott you! Give a voice to the Majority of us. |
| Troy | Seman | 43201 | Once again, Clear Channel fails to use our airways in the public's interest by failing to represent all views equally. Where is the FCC in all of this? Where have they been each and every step of what has become this misuse of our airwaves? Is this purely an economic decision or are progressives being punished for a perception of effectiveness last November? This, of course, is a rhetorical question for I believe it to be the honest truth even if the people pulling the switch want to believe otherwise. For this reason, I believe the owners are already decided. Therefore, I'm writing to the people signing this petition. I can't believe we need another band wagon station on a format of hate thy neighbor, fear more, fear more often. Honestly Clear Channel. Create a reality you can be proud of. |
| leal | Eclair | 43201 | All the intelligent, upwardly mobile consumers I know listen to am1230 because of Stephanie Miller, Al Franken, Ed Schultz, Randi Rhodes, Rachel Maddow and all the other intelligent, progressive voices there. Before am1230 went progressive by jumping on the Air America band wagon, we had all stopped listening to talk radio completely. 1230 has managed to corner the am talk market in Columbus but doesn't seem to know it, yet. Where I work, no one comes in each morning talking about conservative ideas or talk shows: they come in talking about what Stephanie Miller or one of the other progressive voices on am1230 has said WTPG am1230 is extremely hot in Columbus. WTPG should be boosting it's progressive talk show signal to better serve the Columbus suburbs while they are still the only progressive game in town. They should not be changing their format to offer some conservative blow-hard. We've heard enough of that for a life time: now we want progressive talk, just as is it now on WTPG, the best station this city has had, and the first to reflect |

| atricia A | nderson | 3230 | I have been listening to 1230 am since it began its progressive format. I think that it had a big impact on the last election because it was able to refute the republican talking points as soon as they were floated. I think that is the real reason why Clear Channel is changing the format. I will continue to listen online when possible. Columbus has enough right wing talk radio. |
| ichard | rono | 3711 | It's time for radio stations to give listeners what they want, not what the politically connected owners tell them to. If not, people need to write and call their legislatures and tell them to bring back regulations that keep companies from owning multiple stations in the same market, and limiting how many stations a company can own overall. |
| anne | Villiams | 3205 | I had not listened to talk radio at all until I discovered the progressive channel of 1230. This station addresses issues that are relevant to me as an American who is concerned about the direction this country has taken. It's my understanding that ratings are not an issue and that the station is extremely popular in Columbus. I urge you to reconsider your decision. |

| elinda | lorothy | 3231 | So much has already been taken away from Americans, and one of the few pleasures that I have in life is listening to air america progressive talk every day during my lunch hour or on the way too and home from work. Please please please DON'T take it away from me and so many others. It depresses me greatly to the point of tears that this too is going to be |
| my | herrie | 1601 | PLEASE do not let thr radio shows of Stephanie Miller, Al Franken, Ed Schultz, Randi Rhodes, Rachel Maddow and other progressive talkers be taken off the air. Ohio and every state in America needs an alternative to the gibberish on other talk shows. I look forward everyday to these shows. If you switch programming, you will lose many listeners. I for one, will be forced to listen to progressive talk online. Your advertisers, whom I do use now and then, will lose customers, and America will be a poorer place. Differing opinions and freedom of speech are what make this country great! Let's keep it that way. Thank you. |

| Kristen | Heimdal | 43214 | Considering the popularity of The Young Turks, Stephanie Miller, Rachel Maddow, etc., and that the Columbus market is already saturated with conservative radio programs, the decision to change formats is clearly not about attracting new listeners or offering something new. This is further evidence that the term "liberal media" is a myth. I listen to 1230 for 5-6 hours every weekday, but if it changes format, that's it--I'll never listen to that station again. |
| cindy | Waxman | 45215 | Please return progressive talk show hosts to Cincinnati and Columbus. You know there is an audience for common sense radio but choose to ignore it. What are your real motives? |
| Betty | Thomas | 43224 | I support progressive talk radio in Columbus and would hate to see it taken away and replaced with the likes of Laura Ingraham. I won't be listening in the future if that happens. |
| Arthur | Silva | 43214 | I find it very strange that the radio business would ignore data concerning the demographics and tastes of a station's listening area and change its programming format to one at odds with that area since that would appear to be an unsound business decision. Unless ideology trumps supply and demand. I have been a listener to 1230am since it adopted the progressive talk format and if they abandon that format I will cease to listen to that station. |
| Jessica | Stensrud | 02860 | There is a HUGE disparity between conservative radio and progressive in that now a lot of progressive radio across the nation is going bankrupt and folding completely! This leaves us at the mercy of the likes of Savage, Hannity, Limbaugh, etc. We are going crazy losing our stations to boosted signals of Spanish speaking Salsa music, for God's sake!!!! Help us! | ally | layer | 2135 | <p>A Bostonian's condolences to my fellow and sister deprived liberal radio fans in Columbus, OH. We now know after delving into the cause of this debacle on-line what brought down public radio in Boston: our outgoing Governor Mitt Romney and his takeover thugs at (his own founded) Bain Capital, a private investment corporation which bought out the Texas-based Clear Channel Communications Parent Company on November 16, 2006. Google for: "'Mitt Romney' and 'Clear Channel Communications, Inc.'" to collect the damning evidence for your own corroborative web research. The evidence is very compelling and damning. If you go to the Bain website and review the senior managers there and look up their backgrounds, they all have strong connections to the GOP (many are major donors) and to BushCo. This was not just one in a number of arbitrary and anonymous corporate buyouts for profit, this is part of a concerted rightie effort to grab control of web providers, radio stations, and any other media outlets of a liberal slant that contributed to patriotic American voters of all political persuasions being informed, getting out to vote, and putting many state and federal corrupt neocon GOP politicians out of office after the mid-term elections of November 7, 2006. Immediately afterwards, the righties (no doubt egged on by Karl Rove and his evil henchmen under the watchful eye of BushCo) began an hysterical flurry of leveraged buyouts of any liberal media outlets they could get their hands on, particularly in liberal blue states. In Boston, the raiders are attempting to get their claws on our newspapers and local ISPs. Refuse and resist! Strike back at these corporate thugs through the new power we have as of today via our recent state and federal elections. Write your federal reps and senators, your state reps and senators, the IRS, the Department of the Treasury, the FTC, and the FCC. If you or anyone else owns stock in Clear Channel Communications, sell it NOW! Give them a huge stock market price meltdown today they will never forget! If anyone invests with any of the guilty corporate raiders involved (Bain Capital, Thomas Lee Partners, Brookside Capital, Sankay Advisors, etc.), close out your accounts and dump them today! Boycott any company that advertises with Clear Channel Commun'cations; hit them in the pocketbook where it hurts! Demand anti-Trust investigations of soon to be presidential candidate Mitt Romney, who in effect would be guilty of self-dealing if investigations show he was involved in the purposeful demise of Air America and other liberal media outlets in Boston and elsewhere for political purposes while he was still in the position of Governor of Massachusetts: a clear violation of the impartial public interest of his position if true! Bombard all media outlets with this until they scream in agony. We patriotic Americans are in the battle of our lives for the preservation of the country of our founding fathers with a free press and a government that is accountable to We the People (not to a unitary executive dictator as BushCo wants it and not to a bunch of soulless corporations who don't pay their fair share of taxes or sacrifice their sons and daughters to war)! Go to it gang, and spread the good word that We the People have taken back OUR government this past November, and we</p> |

| Arlene | Brown | 43004 | There is a large audience in central Ohio for progressive talk, and that voice should be heard. The recent election also supports this. As a loyal listener, it is an absolute slap in the face to replace my favorite station with the likes of Michael Savage. While I believe that everyone deserves a voice, I question why it is that the only voices to be heard on the radio airwaves are conservative, particularly when this format already exists here. It was certainly refreshing for me and many other listeners to have, for a brief time, a different perspective to listen to. Clear Channel will probably insist that this was purely a business decision, but I doubt that 1230 was even given a chance to grow, and I certainly won't support the new station or its advertisers. |

| Candace | McChesney | 3221 | Since I found this station by word of mouth, I have listened to nothing else, I promised my kids to go back to listening to music after the election in 2004 then something strange happened they asked to go back to 1230, 12 and 15 year old kids who didn't want to hear rock? They also started watching C-Span and CNN they still watch sponge bob and the family guy much to my displeasure but they are feeling like they have a stake in this country even though they can't vote yet. My son was outraged when " A students at his high school didn't know who Fidel Castro was and I have never had a conversation about Castro at all with him. I don't agree with everything that my kids think is going on in the world but at least they have learned to be informed by many sources, listening to this station has made an impact, there are so many right wing and christian stations on the market, so many silly and stupid programs with talk and music about unimportant things. This radio station doesn't broadcast 100% of my views it allows for discussion of what is happening and that is such a value to me that when the games are being broadcasted (I am not a sports fan) we don't change the channel and I am learning to appreciate the games, even though I never did before, loyalty to the rest of the broadcast is showing me I can be more open minded in other ways please don't change the format, I will subscribe to XM if I have to, but you are one of a kind right now and a lot of people listen. It is all word of mouth though, I never would have listened to AM if someone didn't tell me about it, and I never could stand talk radio but now I am hooked. I love Thom Hartmanns show the most, followed by Stephanie Miller, one son likes Ed Schultz and the other Sam Ceadar. My husband listens to your station untill he is out of range than his only choice is Russ Linbaugh who he listens to only to get the alternative opin on but it leaves a bad taste in your mouth and on the way home it is like a treat when your signal returns. Please don't change the format, there is already to much of |
| Barbara | Draa | 5237 | Hello? I believe there was a recent Democratic wave in OH? Yes? Why would you turn off progressive voices? |

| Sandy | Maggied | 3205 | I listen ALL THE TIME in the car and at home. Whereas I used to only listen to music, now I'm addicted to liberal talk. I just don't know what I will do if it is taken off the air. What a horrible thought. I would be absolutely crushed... Like losing a family of like minds. |

| Mary | Cox | 43103 | We need this radio station to continue it's pogrressive format. It's the only way we hear the real truth about everything happening in this country & around the world. |
| Andrew | Chiodo | 43207 | It is necessary to have radio stations provide reporting/access to all points of view that exist within their broadcast area. In fact, that is one of the criteria for being granted a license. |

| Perry | Slone | 3201 | I truly enjoy listening to AM1230 and I am dismayed that Clear Channel wants to dump the format and replace it with even more bigoted and right-wing people. Isn't Druggie Limbaugh and the other right-wingers that air on 610WTVN (WTPG's sister station) enough for Columbus? If this horrible format change occurs, the balanced views will be lost and I will NOT listen to AM1230 anymore. I love listening to Stephie Miller and and Big Eddie Schultz. Please keep Progressive Talk AM 1230. |

If progressive radio can end in Ohio, what chance do we have in Texas! Progressives have dollars to spend and advertisers want our attention (as I type, I am taking my Ester-c while laying in my Sleep Number bed)! Save progressive radio! |
| alice | kieffer | 3031 | I used to listen to you from 7-10 pm on WSYR I think 570 AM Syracuse, NY -when I called to inquire where you had gone..no real answer. You have been missing for quite some time now. And now there are only "wingers" coming out of that station. I just tonite found you on the internet. I think WSYR is a Clear Channel station. |
| Glenn | Beachy | 3202 | Are there any frequencies available in Central Ohio? Perhaps it would not be expensive to put up a transmitter to carry Air America and Jones signals. Religious groups do this all the time. They have no local station, just a repeater that carries programming from a central location. Unfortunately they also push small local stations out and that is a loss to the airwaves. |
| Jeffrey | Slane | 3016 | |
| Chuck | Templeton | 3221 | Please keep AM1230 in Ohio. It's truly the voice of reason for us progressive thinkers. The other side already has too many talking heads ... we need our voices to be heard. |
| Nancy | Puleo | 3065 | I listen to progressive talk radio, which means I also hear the advertisements. I represent over half of Ohio's buying population. That's the pragmatic argument. More importantly, our free society requires that all citizens have access to all points of view in order to make informed decisions and to feel part of the political process. The "Talk Show" format should not be a reflection only of the conservative or reactionary point of view. We need more such forums, not fewer. |
| Harry | Templeton | 3221 | Progressive radio is too important in Ohio to be taken on the air. The public deserves to have access to this important provider of balanced view. Let the deserving public stay tuned in to this station. It's very important. |

| E. | Johnson | 43223 | |
| Sharon | ibert | 43229 | I oppose the radical change in format of 1230 AM from progressive to reactionary talk radio. The shows I have heard mentioned as staples of the new format (Michael Savage, Laura Ingraham) are manned by obnoxious dishonest apologists for right wing politicians, something we already have too much of on the radio and television. This change destroys the only semblance of a voice for the majority of Central Ohioans who showed in the last election that we are not ready for a CHANGE. |
| Barbara | Kennedy | 143162 | I must be under political pressure to change the successful format of WTPG to another been there, done that, format. As an executive at our company, If they drop the progressive talk format I will see to it that we will no longer advertise on ANY Clear Channel station EVER. We would not want Clear Channels' bad decision and the resulting public outcry be a bad reflection on our company. The many comments of the listeners signing this petition alone should be enough to make this happen. The next time a Clear Channel advertising account rep visits our offices I will promptly show them the door. Clear Channel can now join Sinclair Broadcasting with Mark Hymen dead last 11PM News? Center and Fox News continued ratings drop as media outlets that cannot seem to get a clue what the majority want. If this happens... GOODBYE Clear Channel, I hope you it cost you many advertising \$55 and market share. You should regret this mistake and fire everyone involved |

| Michele | ddison | 43229 | I find it very difficult to believe that in a city like Columbus Ohio, that there is not enough room for a radio station that promotes a progressive point of view. By eliminating the progressive format of WTPG, you have proved that Columbus is no better than most cities and that the progressive voice is a voice that must be silenced. I am very disappointed and saddened that this is happening. Progressives deserve a voice just as much as anyone else. |

| Michelle | urner | 43212 | I am an avid listener of AM 1230 and I became concerned when music was playing during the traditional time for advertising. I hope the "owners" of the station exhausted every avenue to keep the radio running in the current format before switching their platform. We should at least be allowed to have some kind of forum with the people in charge so we can ask some questions. For example Who is in charge and what messures have been taken to save the Progressive format? Perhaps there is some community activity that could help save AM 1230. Isn't there anything we can do? Why must it just go away and be replaced with right wing talk? I am very disappointed a station I have come to enjoy and appricitate is just going to disappear. I will continue to listen on line when I can, but it will not be the same. Please save AM 1230. Send me a bumper sticker I will put it on my car. Send me a teeshirt I will wear it everyday. | nda | owrey | 3078 | I have contacted 5/3rd bank to thank them for advertising on progressive radio. I was so thrilled when I could hear some views that differ from the standard conservative radio. I believe that progressive radio is really serving a purpose in allowing listeners to have a choice. To be able even to listen to both sides of an argument. I believe that dominance of conservative radio has caused a deep division in the people of this country and that the people of this country are tired of that divisiveness. Balancing this dominance may achieve in the long run real respectful dialogues on the issues we must address as a country. Why is clear channel doing this across the nation? Keep the Show alive or I will NEVER LISTEN to 1230 ever again, and will work with the people to create another talk show in Central Ohio!! |

| heryl | rick | 3065 | Clear Channel will definitely lose a listener if progressive radio is removed. It is so refreshing to listen to something other than the conservative opinion. Why remove progressive radio after an election that proved that people want a change. If there aren't enough listeners, maybe it's because people don't know they are there. Maybe some advertising is the answer. I, for one, did not know the station existed until my son, who moved here from Colorado, informed me. Now it is all I listen to. I am greatly disappointed in Clear Channel. |

| Michael | Chuller | 43081 | While I have heard about your broadcast, I have never listened to it. The reason is simple, I don't enjoy radio broadcast. For me, if it involves audio, I'm listening to a television broadcast or MY SELECTION of music. A good friend asked me to look up your site. So, here I am. I think it is important for you to continue your efforts to broadcast an alternative to the many outrageous conservative broadcasts that currently litter the airwaves. It's tragic that the conservative force-fed view can somehow be commercially viable. Just like trickle down economics, the ultra conservative approach to today's issues simply doesn't work. President Bush's agenda, the idiotic war in Iraq, charter education, etceteras, are prime examples of the tragic effects of these types of efforts and opinions. Our recent elections have provided today's answer to force-fed efforts: "We've had enough. It had to happen. History has proven this time after time. A democratic society will only tolerate the present administration type of behavior for short periods. The only reason George W. Bush was elected was because society was desperately grasping for straws. Many were fooled because an agenda might be tied to "Family Values" or some similarly silly concept. Unfortunately, the liberal candidates at that time offered no better leadership prospects. As a country, we went too far right and now we are heading towards center again. Unfortunately, it cost us 100's of billions of dollars to learn our lesson. What our country needs is leadership. I encourage you to continue your efforts to develop a commercially viable station. The time should now be right. Of course, I caution you to avoid the idiotic extremes of the ultra right. In other words, don't be stupid left. Define leadership so the populace understands what good and effective leadership is. Telling, as the conservative party has arrogantly done since (most recently) the Contract With America, is not leadership. Effective leadership begins with an understanding of the challenges before us. It continues with a unified plan to face those challenges. Then it flourishes with inspired confidence to work toward a common goal which benefits the masses, not the few. Great things happen with effective leadership. Good leaders do not tell. Good leaders inspire. They guide. They develop unity. They recognize a need for change, even when it conflicts with their original plan. They are honest about their intentions. They are true to their followers. They are respectful. They don't snicker when they think less of their opponents opinion. We need effective leadership in D.C. and throughout the United States. Help us find them and help our prospective leaders discover |

The last Ohio election was too little too late...this state has gone from 3-4 in every economic and social ranking to 40-50th, all because of the conservative republican rule for the last 15 years. Franklin county has demonstrated a noticeable shift toward the left in recent election results. We should have room for all viewpoints in the media. |
| Paul | Shapiro | 92660 | Clear Channel should stop pretending to provide access to liberal talk radio. They or their conservative empolyees do not make a sincere effort to market advertising on progressive stations. This can be understood if you know that the Republicans through the 1 vote majority on the FCC has permitted massive consolidation of the broadcast industry. Since Democrats in general oppose further consolidation, Clear Channel and other media companies oppose them and want their voices silenced. Write your congressman and ask them to support divestitures and reinstatement |

| ne | ubbard | 43204 | <p>With democrats taking the country, it is clear the people are open to hearing what they have to say. At one time in this country, the media presented diverse points of view. It is an insult to the voters that this is being done in Ohio, a swing state, because conservatives are desperate to retain power. Just like in congress they did not practice civility and bipartisanship (that Bush is now seeking from democrats) and silenced congress by excluding them from meetings, so, too, do they now shut the people out by letting them only hear one voice. You can take away the media and likely will, but you cannot silence the people like you did our representatives because the people united can never be defeated. Go downtown and talk to people as I have and you will find very few into Bush and his party. We took the presidency in 200 and 2004 and you stole both elections..but we the people will not give up. We took a stand against the war and for peace..we are a party of the people and tolerance and compassion and we do not want to hear the hatred of so many of the conservative talk show host. This is a bad decision as you are splitting your market and hurting advertisers...the conservatives had 610 and supported those advertisers and we had 1230 and the progressives supported those advertisers. Now if you have viewer! on the new format, they will be the old 610 listeners so no new consumers will be gained. Most progressives will not listen to the new show or support the advertisers. Hopefully, the corporate owned media will lose money and tick the people (the majority) off so bad for blatantly trying to control them by controlling what they hear, that they will do their best to boycott them and the corporations like Walmart's, federal express, Exxon mobile, and McDonald's and others who boycotted advertising on air America (full list here)</p> <p>http://mediamatters.org/items/200610310008?src=item200610310008</p> <p>Since they have taken our vote, our remaining power is our money and how we spend and don't spend it. I hope the signers of this petition, consider boycotting the many corporations who are tax cheating, environment destroying, and job exporting as well as media propagandising and buying.</p> |

| bill | jenkins | 43206 | I will so miss being entertained to Stephanie Miller, getting completely informed by the passionate Randi Rhode, enjoying the interesting Laura Flanders, etc. I will be happy to see Lionel go..I knew the people who brought is 6:10am could not be trusted to do progressive radio. I knew they were just wanting our advertising by pulling us in to what we longed to hear with conservative talk radio shoved down our throats when they took the powerhouses like Stephanie, Randi, and Mike Malloy and put them on at 9 in the morning and 3 in the am or once or twice a week and the prime time listen ng brought us near conservatives like Ed Shultz and the awful Lionel..they wanted it to fail after they made a few bucks off us..but when they saw how successful the progressive talk show hosts were in giving us the true story of the corruption etc..when they saw the superior format in using wit and sarcasm and facts and intelligent discourse instead of hatred and lack of compassion like the reps did..when they saw the republican state of Ohio fall, they realized it wasn't worth the advertising money thy got...giving knowledge and truth to the people is a dangerous thing. When the vote went blue, they claim they lost money...when really they lost votes and the hearts and minds of the people. I hope the people will no longer trust clear channel to do talk radio..let's somehow get our own talk radio of the e with no rules coming from headquarters (like when Randi was told not to talk about vote fraud anymore)...if we get the corporate conservative money out of our progressive radio, this could be a blessing in disguise..we might even lure our favorite away from their conservative bosses to be free to say whatever they want.
